### TECHNICAL SKILLS:

- HTML
- CSS
- JavaScript
- Python
- Bootstrap
- React

### DESIGN TOOLS:

- Figma
- Canva

### SOFT SKILLS:

- Creative
- Problem Solving
- Team Collaboration

## WORK EXPERIENCE

### ■ Front End Developer Intern

HiLife AI, Trichy, Tamil Nadu, India 2022 (3 months)

- Developed and maintained front-end web applications using HTML, CSS, and JavaScript. Collaborated with design teams to implement UI/UX enhancements. Assisted in the creation and deployment of responsive web designs.

## PROJECT

### ■ Multi-Search Engine Webpage

- Designed and developed a web application that aggregates search results from multiple search engines (Google, Bing, Yahoo, etc.) in a single page, allowing users to search and compare results across different platforms. Utilized HTML, CSS, and JavaScript to create a user-friendly interface and implemented functionality to handle multiple search queries and display results in a concise and organized manner.
